CAT5E PATCH CORD

BPC

- 4 twisted pairs cable
- 24AWG solid copper conductor
- Meets Cat5e specifications
- Ideal for 10Base-T(IEEE 802.3), 100Base-TX(IEEE 802.3u), 1000Base-TX

BUM

- Data transfer speeds up to 480Mbps
- Compatible with portable audio players, PDAs, mobile phones, digital cameras, hard drive enclosures and other mini-B usb devices
- Compatible with USB specifications 1.0, 1.1, 2.0
