Sonora Horizon Modular Design

Custom design your preferred audio video furniture layout with the modular S84 series.

6 SECTION VIDEO (S84-V6)

(3 X S84-1 + 3 X S84-2 + 3 X S84FT)

Each individual module comes with mounting hardware that enables a module to connect either horizontally or vertically with any other module. This flexibility allows an end-user to design a system that meets their particular needs.
