# 18-L020

## Intuitive Operation

The L020 security system is ready to go as soon as it's plugged into a router and powered on. No screens to fiddle with, or any programming necessary, just download the App and set-up the pre-paired sensors- that's it.

## Protection 24/7

The L020 stands guard around the clock and it's back-up battery provides uninterrupted protection for up to 15 hours.

## Digital Scarecrow

When triggered the L020 siren sounds at 105 decibels and simultaneously sends a push notification to your smartphone. Keeping you in the know, wherever you go!
