

Water/Flood Detector

Reliable and easy to set up, the FD2100 effectively detects water and other liquids by way of proprietary sensing technology, and sends alerts to your smanos control panel for appropriate action. Recommended placement locations include kitchens, bathrooms, basements, mechanical rooms, storage lockers and more.

What's in the box?

- 1 x FD2100
- 1 x User manual

Works with the following Smanos systems
W100 / W100I / W020 / W020I / L020 / X330
