

Embracing a Safe, Sweet Home

Smanos X330 is an elegantly designed, functionally powerful, intuitively operable alarm system. All you need is a SIM card that roams on 3G/WCDMA networks or up. When an act of possible intrusion is detected, the alarm system would sound the siren and inform the homeowner by sending SMS text messages and making phone calls.

What's in the box?

- 1 x X330 Control Panel
- 1 x MD9100 Motion Detector
- 1 x DS2300 Door/Window Contact
- 2 x RE2300 Remote Controls
- 1 x Screw / Mounting Kit, GSM SIM Card (not activated)
- 1 x User manual
